# BOTTLED BEER

---

## **The 1925 Liang Teh Chrysanthemum Lager (4.8% ABV) 18**

*The lager is called Liang Teh, which translates to 'cooling tea'. It is named after the chrysanthemum herbal teas the founders' grandmother used to brew for them when they were growing up.*

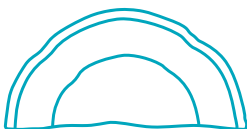

*A crisp lager, accentuated by the lightness of white chrysanthemums. Easy on the palate and good for whole day drinking, this lager goes well with deep fried, spicy and seafood for the perfect combination.*

## **The 1925 Lychee Pale Lager (4.8% ABV) 18**

*Featuring a bouquet of lychee and rose aromas, the Oriental Beauty has a delicate balance of subtle sweetness, light hoppiness against a mild malty backbone. The combination of flavours makes the Oriental Beauty a delightful treat that is sure to sparkle on the palate with its refreshing, dry and crisp finish.*

## **The 1925 Yellow Van Pale Ale (4.8% ABV) 18**

*Brewed primarily with the hops, Citra. Designed to be a session beer, the pale ale seeks a delicate balance between both hops and malt. It brings familiarity, yet never fails to surprise the palate with the subtle bursts of Citra. Pours well with a fully formed head of foam and is probably the most versatile beer to pair with any foods.*
